

# Select Committee Hearing

# November 5, 2008

## Transforming L.A. County

# A November 2016 Sales Tax Measure ?

## What are our Choices ?

### 1. Another ½ cent sales tax measure

- 40 years = \$76+ Billion
- 45 years = \$90+ Billion

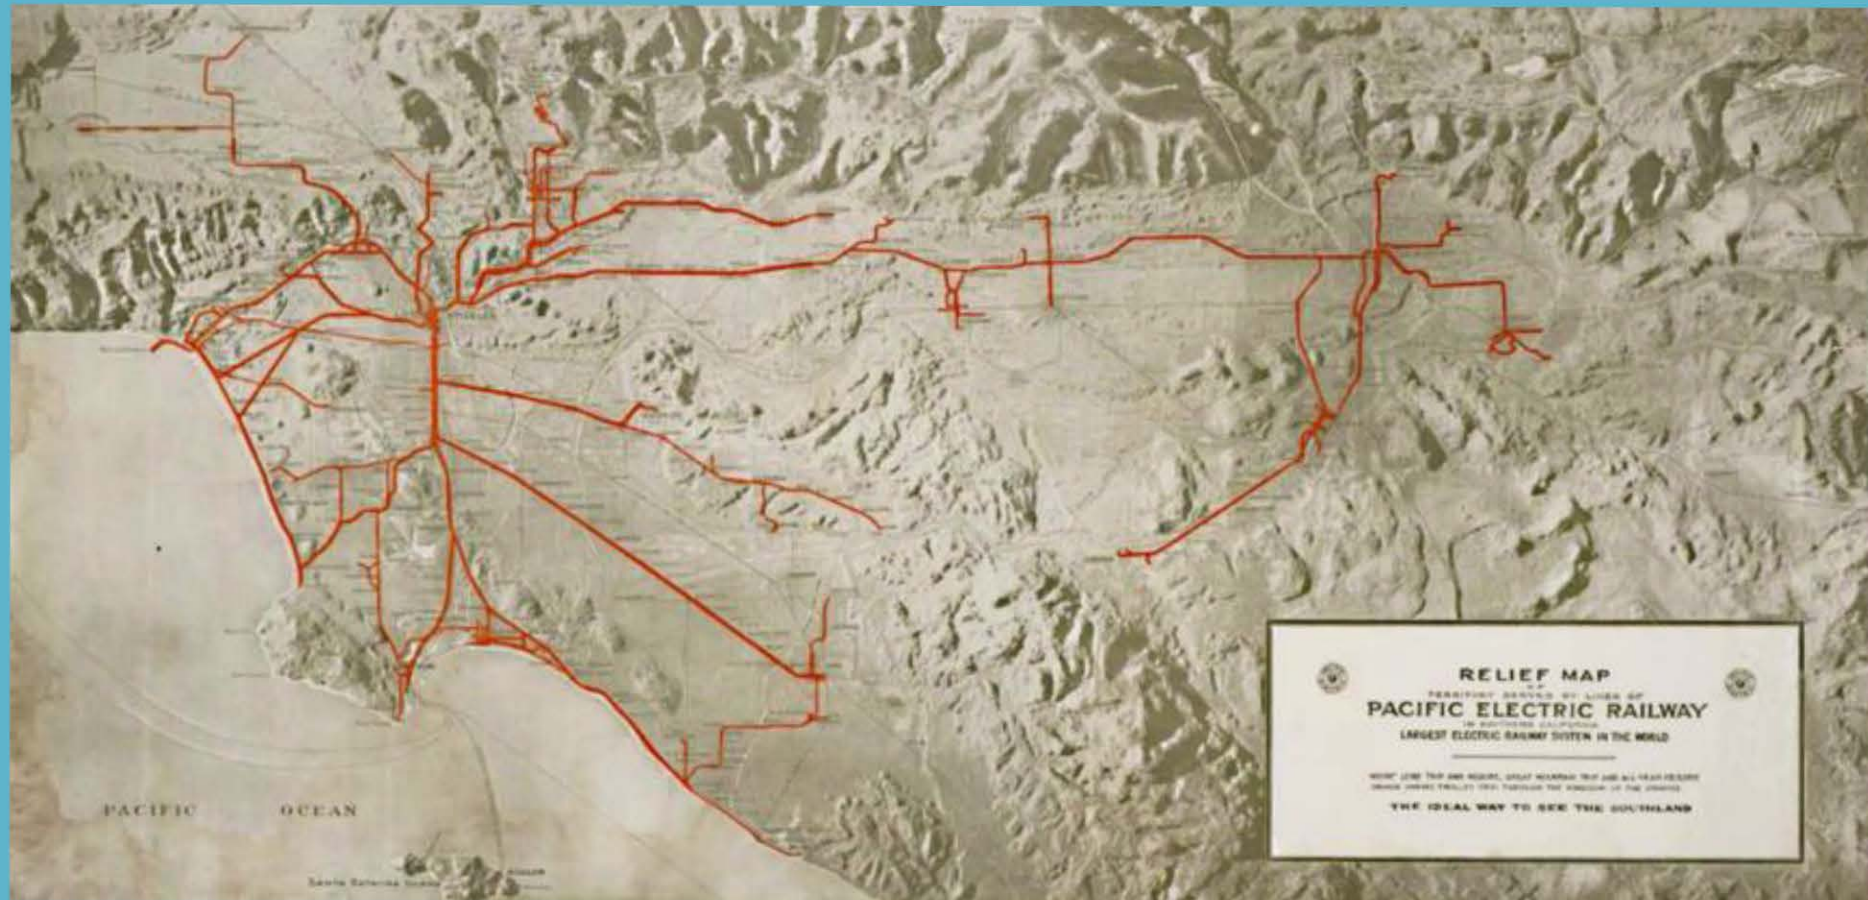

### 2. Possibly extending Measure R as well

New 40 yr. measure + Extend Measure R

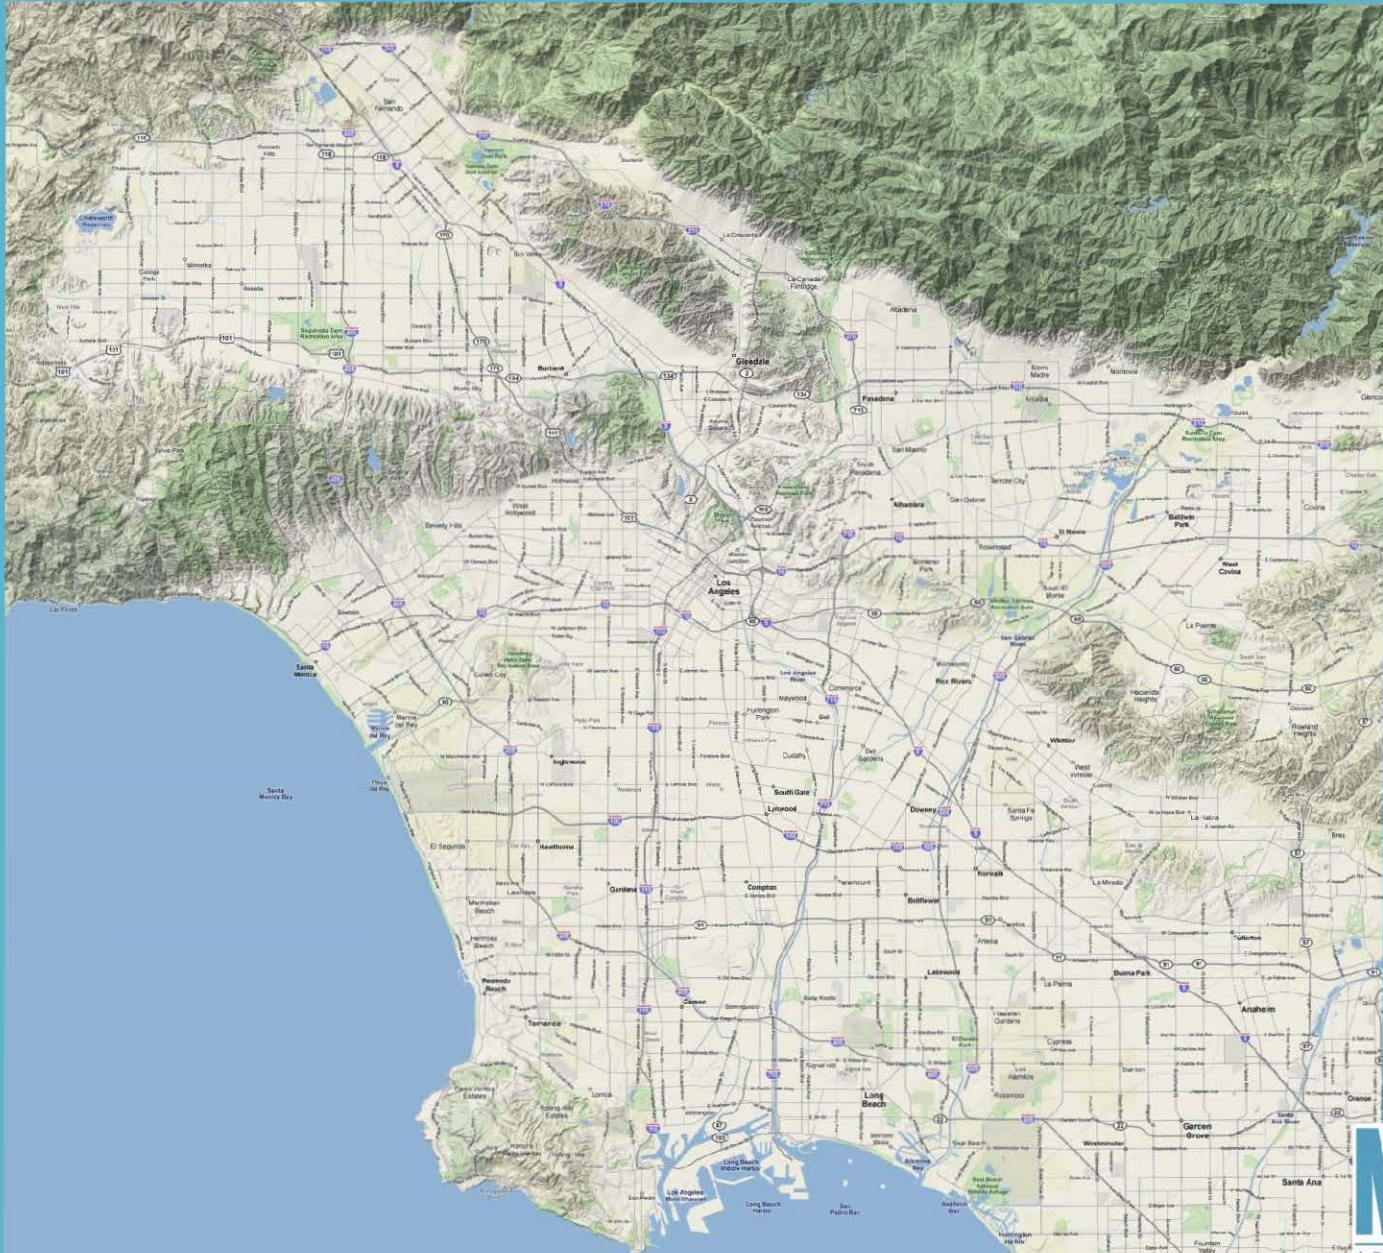

~ \$120+ Billion

(Like Alameda County in 2014)

# Where we were 100 years ago

# Where we were 25 years ago

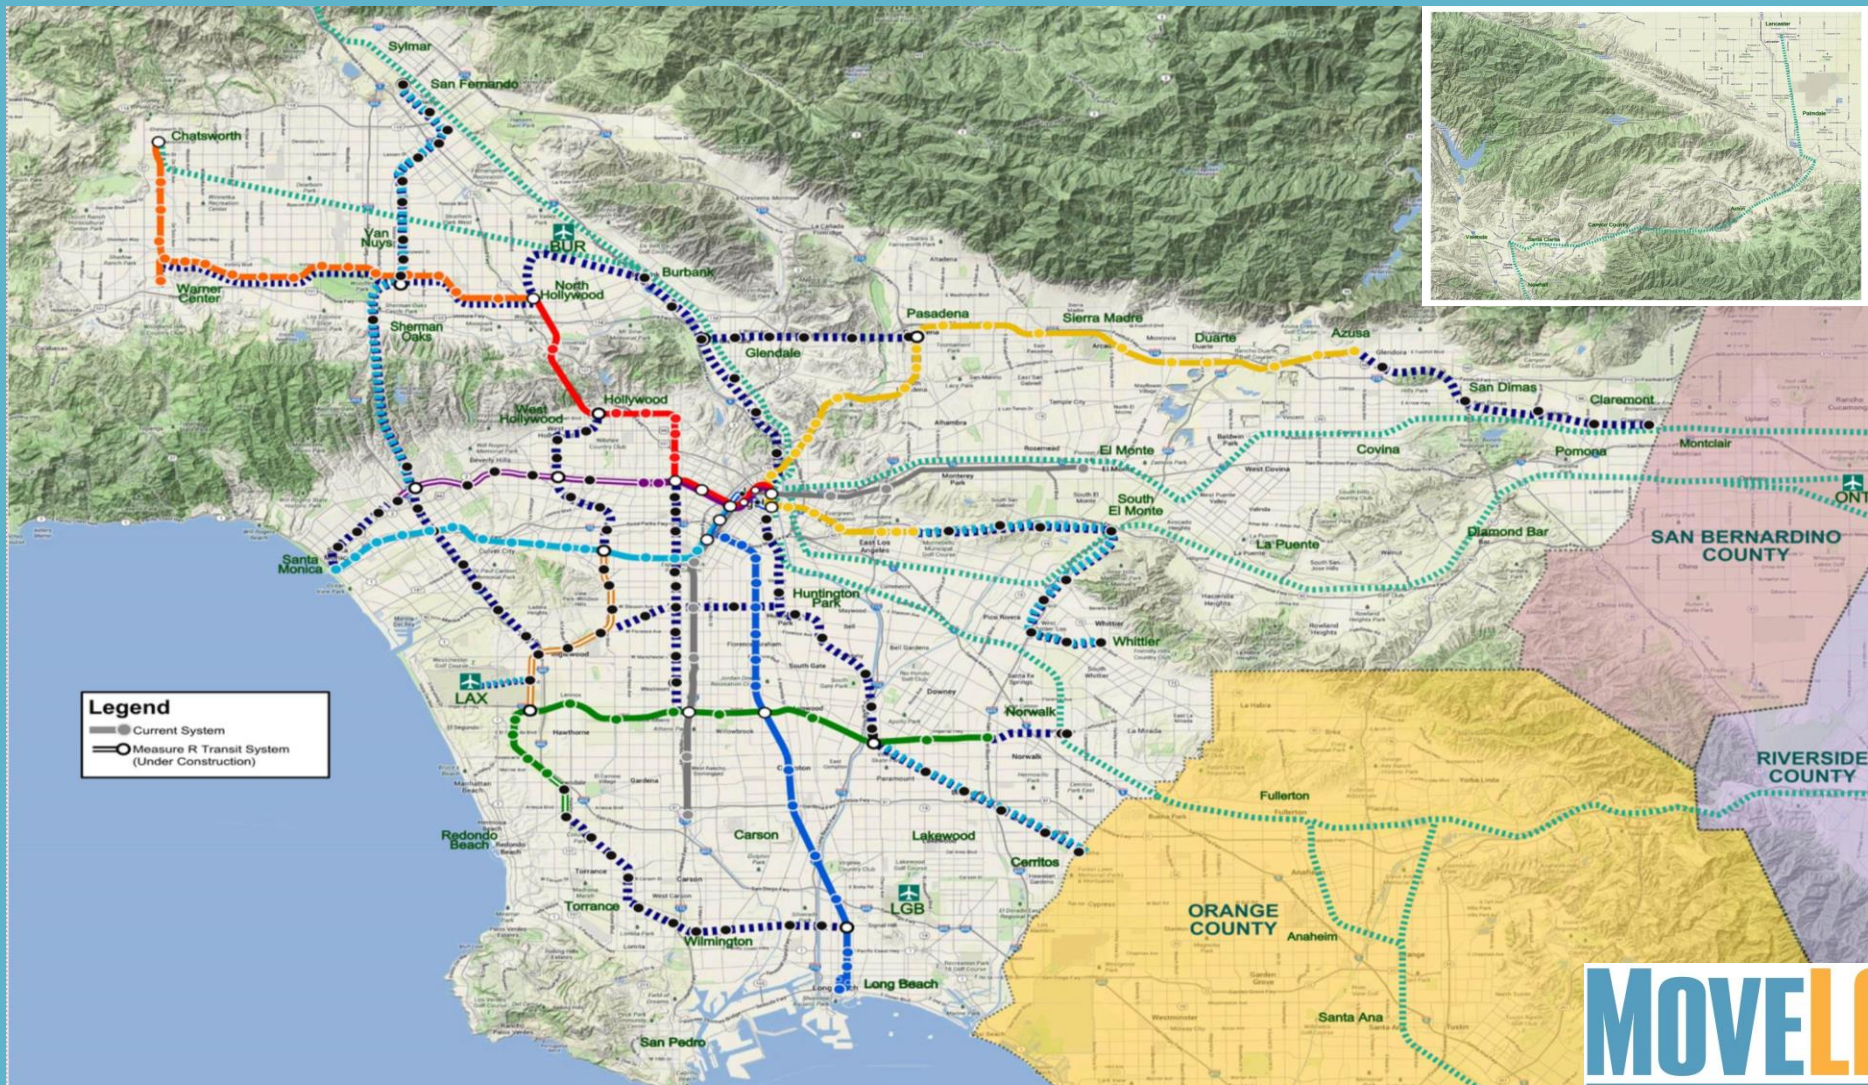

# Where we will be soon (when projects now under construction are done)

# Where we can be in 25 years

## If voters approve a new measure in 2016

# Important Challenges to Make Transit Work

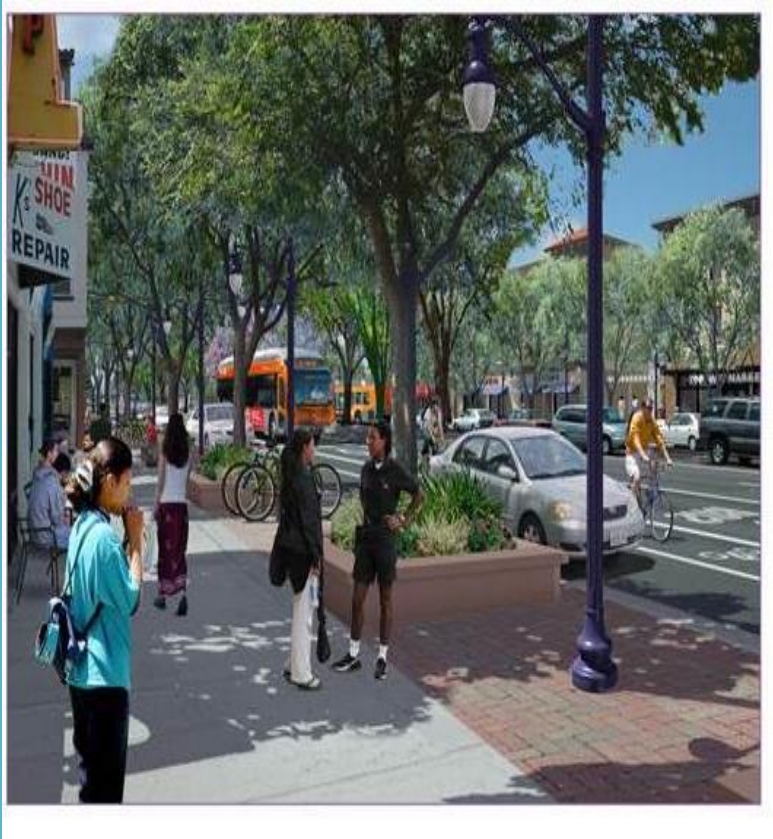

## Get First-Last-Mile Right

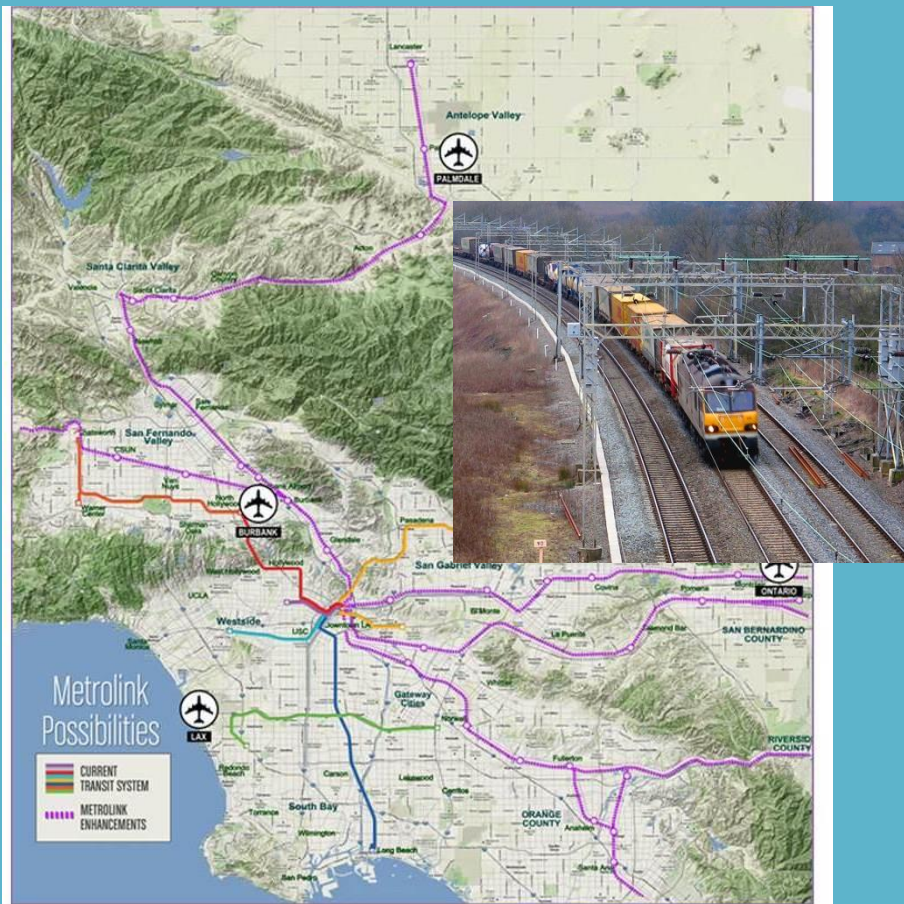

# Restore Efficiency & Life to our Boulevards

## Create a Grand Boulevards Program

- Congestion Relief
- Beautification & Landscaping
- Complete Streets with Mobility Hubs
- New Mixed-Use Development & Mixed-Income Neighborhoods along Boulevards that Build Transit User Base
- Transition to Bus Rapid Transit (BRT)

# Invest in **Clean, Efficient Goods Movement** & Modernize Metrolink

- **Disentangle Metrolink from freight system**
- **Build grade separations and double tracking**
- **Facilitate zero & near-zero emissions trucks & trains**
- **Connect Metrolink to regional airports**

# THANK YOU
